The first international tool to assess Sustainability Literacy

One of the flagship initiatives for the UN partnership for Sustainable Development Goals

Tangible implementation of

www.sulitest.org • contact@sulitest.org
The Sulitest is a set of tools (including an international reference MCQ test) simple, flexible and easy to access, allowing today’s and tomorrow’s economic and political leaders to evaluate, acquire or improve their knowledge of sustainable development issues, disseminate it within their organizations, and integrate it into their practices and strategies.

**WHAT IS SULITEST?**

In detail...

Flagship tools for learning and evaluating

Customize the tools to your own context and enhance your experience

Raise awareness by playing and exploring
WHY SHOULD YOU USE SULITEST?

- Summative function: Map **knowledge, skills and attitudes** of students about sustainable development and compare with your country and the world.

- Informative function: **Raise awareness** among students, faculty, and staff

- Diagnostic: **Evaluate the effectiveness** of specific curricula, **monitor progress** and **improve pedagogy** (entry & exit testing)

- Collect and access **data for research** and join fellow research teams

- Test students awareness and knowledge in a selection process for a specific course or program

**TEST STRUCTURE**

<table>
<thead>
<tr>
<th>CORE MODULE</th>
<th>SPECIFIC MODULES</th>
<th>SURVEYS</th>
</tr>
</thead>
<tbody>
<tr>
<td>30 international questions</td>
<td>around 20 questions: Local, Industry- or job-specific, SDG modules</td>
<td>Socio-demographic and ESD background (voluntary)</td>
</tr>
</tbody>
</table>

**FREE & UNLIMITED ACCESS**

- Test: Learn & Assess
- Looping: Reverse pedagogy for the SDGs
- Quiz: Challenge your teams
